

**The HS Pediatric Center** (HSC) is a private, nonprofit rehabilitation and transitional care pediatric hospital. We are proud of our reputation for the delivery of compassionate, state-of-the-art and family-centered care to children and young people from birth to twenty-one years of age. We offer programs for youngsters after traumatic accidents and illnesses, for infants with various medical problems following premature birth, and for children with a variety of developmental disabilities, and other complex medical conditions and illnesses.

The hospital is located in a quiet, residential area of Northeast Washington, D.C. It is convenient to Metrobus lines, and two Metro subway stations. Ample parking is available.

*The HSC Pediatric Center is licensed by the District of Columbia Government Department of Consumer and Regulatory Affairs (DCRA), and is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and the Rehabilitation Accreditation Commission (CARF).*

is the hallmark of The HSC Foundation, the parent company of The HSC Pediatric Center and Health Services for Children with Special Needs, Inc. (HSCSN/NET.). In 1998, the Foundation responded to the need for access to family-centered, quality diagnostic assessments and treatment for children with special needs by establishing the HSC Outpatient Center.

Located on the campus of The HSC Pediatric Center (HSC), the Outpatient Center provides diagnostic assessments and treatment in the following areas:

- Psychology
- Physical Therapy
- Speech & Language Therapy
- Occupational Therapy
- Audiology
- Assistive Technology
- Developmental Pediatrics
- Pediatric Dentistry

*The Outpatient Center is staffed by highly qualified clinical professionals who have helped establish HSC's long-standing reputation for providing the highest quality, family-centered clinical services.*

*The Outpatient Center is open  
Monday to Friday,  
8:30AM to 5PM\**
